Notes and Conditions:

- Payment terms are net 14 days from the invoice date, F.O.B. shipping point. Non-profit organizations and companies with more than 5,000 devices receive a 25% discount on the software (add-ons, SMS packages, services and already discounted products are excluded from a discount).
- AppTec licenses do not include support, Basic Support must be added.
- The Price for 8 hours of Consulting is 1.600,00 €. Expenses are billed to the customer as incurred according to AppTec travel and expense policy and are the responsibility of the customer.
- The regular term of the licenses is 24 months. If you sign up for a longer one, the following term discounts will be granted: 5% for 36 months, 7.5% for 48 months, and 10% for 60 months. (These discounts are only valid for own products and not for services & hosting. Already discounted products and bundles are excluded from further discounting).
- The subscription can be canceled up to three months before expiration. The subscription is always automatically extended by the initially agreed term. Subscription payments are made upfront. Annual billing would be available upon request.
- Cloud option is based on Europe Hosting in a shared environment. ContentBox includes 25 GB of storage per company. Extra storage is available for an additional fee.
- The minimum order quantity is 25 Licenses. The minimum re-order quantity is 10. SMS-Enrollment-Pack (300 SMS) costs 50,00 €
- *Free License for On-Premise Version: Support is not included in the free license. Support only available combined with license order.
- AppTec School Package is only available for public schools.
