Description of the individual support:

Please be sure to indicate the number of required full hours, during the ordering of individual support. (Subsequently, the estimating for the task will be performed by one of our colleagues from our technical support department.)

Notices & Conditions

* The individual support can only be ordered by a customer with a valid Upgrade & Support Contract. The individual support can not be booked for Hands-On Support. For Hands-On Support, a Premium Support Package is offered.

The prices are calculated without the legally applicable VAT. AppTec GmbH's Terms and Conditions apply exclusively. These conditions can be referenced on our website under www.apptec360.com/en/legal.

We hereby agree that we will be billed for the ordered services, to be performed by AppTec GmbH.
